Subject: Invitation to Conduct a Seminar on Artificial Intelligence

Respected Dr. Sawant,

On behalf of V.S.Patel College of Arts and Science Bilimora, we are writing to cordially invite you to share your profound expertise in Artificial Intelligence (AI) by conducting online or offline seminar for our B.C.A. students.

Since its inception in the year 2000, the BCA program at V.S. Patel College has grown into a leading center for computer education in the region and affiliated with Veer Narmad South Gujarat University, Surat. We are proud to have over **500 students** currently enrolled, drawing bright minds from both urban and tribal areas. The dedication of our community, including the generous donation from the honorable family of Nirmalaben Vitthalbhai Patel for our separate BCA building in 2008, underscores our commitment to providing quality IT education.

We are deeply impressed by your significant contributions and pioneering work as the **President and Co-Founder of American AI Tech Corp.** Your insights into the **practical applications and corporate impact of AI** would be invaluable to our students, who are eager to understand the current landscape and future trajectory of this critical field.

Moreover, we are also planning to organize a **certificate course in Artificial Intelligence** and would like to know if you would be interested in delivering the course for us. The course can be conducted either in online or offline mode, based on your convenience also let me know your terms & condition.

Kindly let us know the AI-related topics you can cover, along with the proposed course duration and the fee structure for the online and offline modes.

We were pleased to receive a reference for your esteemed work from Mr. Bhupendrabhai Amin, President of B.V.K. Mandal and his friend, Mr. Mohanbhai Prajapati, Mumbai.

We kindly request you to arrange a video meeting with Mr. Bhupendrabhai Amin, Mr. Mohanbhai Prajapati, Principal Dr. A. R. Bajaj, and Coordinator Dr. K. S. Bhavsar at your convenient date and time.

We look forward to your response and hope to collaborate with you.

Thank you.

Your sincerely,

Bajaj
