

SSIP for Green Innovation

Academic Year 2025-26

Objective

To introduce students to the **Student Startup and Innovation Policy (SSIP 2.0)** of the Government of Gujarat, with a special focus on **green innovation**—fostering awareness, creativity, and entrepreneurial spirit for sustainable development.

Programme Highlights

- **Introduction to SSIP 2.0:** Vision, mission, and opportunities for eco-conscious student innovators.
- **Green Innovation & Startup Ecosystem:** How environmentally friendly ideas can be nurtured into prototypes.
- **Need for Rural & Sustainable Innovation:** Building SSIP projects around renewable energy, waste management, water conservation, and rural-centric eco-solutions.
- **Funding & Support Mechanisms:** Grants, mentorship, incubation facilities for green startups.
- **Success Stories:** Inspiring journeys of student innovators working on sustainability and climate solutions.
- **Hands-on Orientation:** Idea pitching, eco-problem-solving workshops, and Q&A sessions.

Venue and Timings

Seminar Hall, Science Building, Joriya Parmeshwar Arts and Science College, Jambughoda at 12:00 Noon on 18 March 2026

Expected Outcomes

- Awareness of the SSIP 2.0 framework with emphasis on **green innovation**.
- Motivation to participate in sustainability-driven innovation challenges.
- Development of entrepreneurial skills with an eco-conscious, problem-solving attitude.
- Pathways to incubation, mentorship, and funding opportunities for green startups.
