Guest Lecture on Bridging the Gap: Practical Approaches to Cybersecurity

GLS UNIVERSITY
INCUBATION CENTER

Event Category: Awareness of Trends in Technology

Event Name: Guest Lecture on Bridging the Gap: Practical Approaches to Cybersecurity

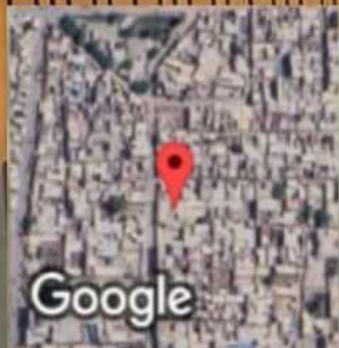

Date: 14th July, 2025

A seminar was organized on the topic of “Practical Approaches to Cybersecurity and IT Infrastructure,” featuring Mr. Sumit Rajput, a distinguished expert and pioneer in the field. The session was attended by a diverse audience comprising students, educators, and industry professionals, all keen to gain insights from Mr. Rajput’s extensive experience. With a strong foundation in building secure and user-friendly technology ecosystems, Mr. Rajput has significantly contributed to both industry and academia. Over the years, he has trained more than 10,000 individuals across the country, equipping them with hands-on skills in cybersecurity and IT infrastructure management. During the seminar, he emphasized the importance of bridging the gap between theoretical learning and practical implementation. He discussed real-world cybersecurity challenges and shared strategic approaches to building resilient IT infrastructures.

Mr. Rajput also highlighted the need for usability in security solutions, ensuring that systems are not only secure but also efficient and accessible for daily operations. The session was highly interactive, with participants actively engaging during the Q&A segment, where he addressed current trends, career advice, and best practices. His clear and relatable presentation style made complex concepts easy to grasp, leaving a lasting impression on the audience. Overall, the seminar was a great success, offering valuable knowledge and inspiration to all attendees. We express our sincere gratitude to Mr. Sumit Rajput for his time, expertise, and continued contributions to the field of cybersecurity and IT infrastructure.
