

A SESSION ON 'APTITUDE IMMERSION'

Date: 24-07-2025

GLS-FOC hosted a session on 'Aptitude Immersion' under the auspice of 'Academics and Beyond' on 24th July, 2025. The expert speaker for the session was Mr. Vipul Tyagi who addressed the rising importance of aptitude and management education in an increasingly competitive and technology-driven professional world. His talk was aimed at helping students build a strong foundation in Quantitative Aptitude, an essential component of competitive exams, covering key concepts, exam-specific strategies, and shortcut techniques to enhance problem-solving speed and accuracy. During the session, Mr. Tyagi systematically covered key topics such as number systems, arithmetic, algebra, and data interpretation. Special emphasis was placed on aptitude relevant to jobs and entrepreneurship, aligning the session with real-world professional and business scenarios. He also shared exam-specific strategies and time-saving shortcut techniques that can significantly improve accuracy and speed in problem-solving. Overall, the "Aptitude Immersion" session was a resounding success, offering students not only subject knowledge but also motivation and strategic insights necessary for excelling in management entrance exams and beyond. The session was well-coordinated by student team of Faculty of Commerce under the guidance of Dr. Bhumika Ansodaria and Dr. Aashal Bhatt, who ensured its smooth execution and success.
