

“Success par संवाद: GLS-FOC Alumni Inspire Youth at Young Tarang 2025”

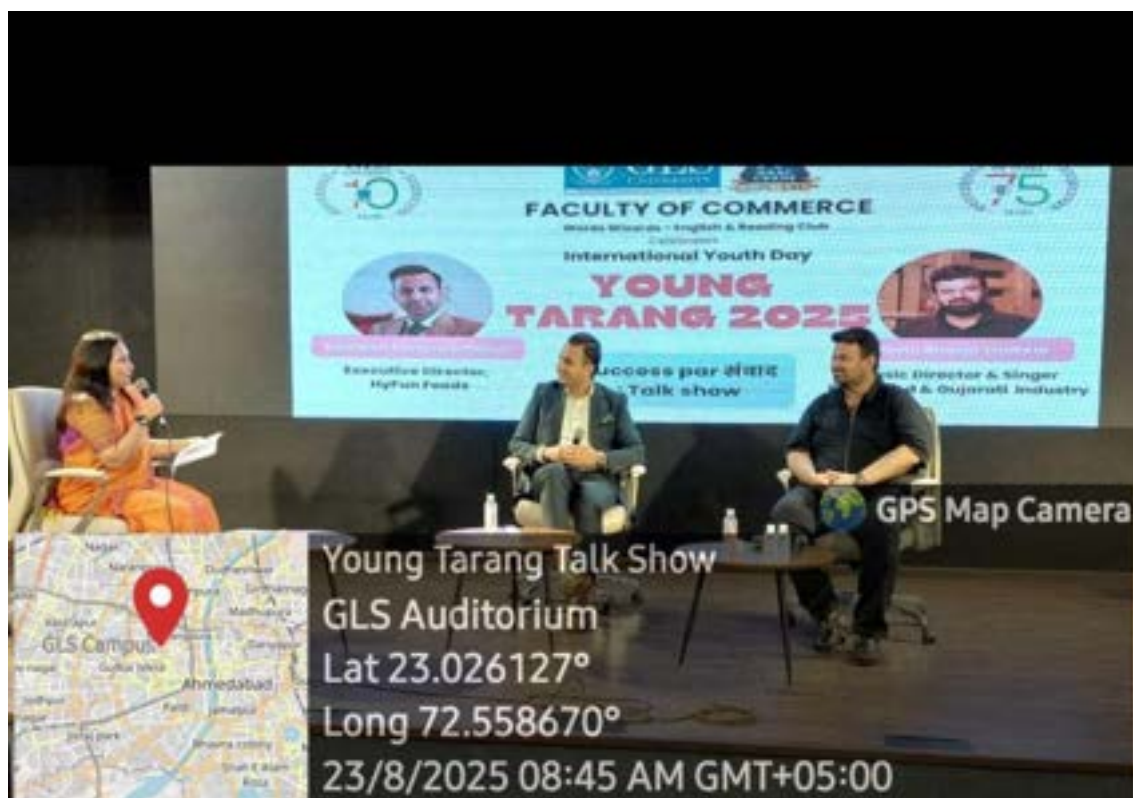

Date:23-8-2025

GLS-FOC under the auspice of Words Wizards – English & Reading Club, celebrated International Youth Day with an engaging talk show, “Success par संवाद,” as part of Young Tarang 2025. The event featured two distinguished alumni: Mr. Kamlesh Karamchandani, Executive Director of HyFun Foods, and Mr. Parth Bharat Thakkar, renowned Gujarati music composer and Bollywood artist.

The session highlighted the journeys of these achievers from diverse fields—business and music—emphasizing the shared values of discipline, resilience, and passion. Both speakers reflected on their college days, sharing how their academic and campus experiences shaped their confidence and perseverance. Mr. Karamchandani spoke about the importance of adaptability and problem-solving in entrepreneurship, while Mr. Thakkar revealed how early exposure to music and diverse peers helped him grow beyond his craft.

Key takeaways included the significance of daily discipline, learning from failures, and the courage to pursue one’s passion. The alumni encouraged students to embrace risks, stay consistent, and reflect on their progress. The event concluded with a powerful message: character, discipline, and resilience are the true multipliers of success.

Coordinated by Dr. Gitanjali Rampal and Dr. Bhumika Ansodaria, “Success par संवाद” inspired students to dream big, learn from setbacks, and recognize the potential within themselves. The presence of these accomplished alumni served as a living testament to the transformative power of GLS University’s academic environment.
