Spark of Innovation: Exploring Startups, Science and Entrepreneurship

AN OUTREACH PROGRAM FOR FUTURE INNOVATORS

Organized By

Shree Naranjibhai Lalbhai Patel College of Pharmacy (SNLPCP)

Date

September 07, 2026

Host School

BABS High School,
Bardoli

Target Audience

Students of Standard 11th
(Science Stream)

About the Program

“Spark of Innovation” is an engaging outreach program designed to inspire young minds to explore the exciting world of startups, science and entrepreneurship. The session aims to create awareness about the vast opportunities in pharmaceutical sciences and innovation, and to encourage students to dream, explore and build solutions for a healthier tomorrow.
