POSTER FOR THE STARTUP ADDA

INTRODUCTION

Startup Adda, organized on **4th April 2025** at **Sarvajanik University Seminar Hall**, was an inspiring entrepreneurial session hosted under the SSIP initiative. The event featured an insightful talk by **Mr. Yash Tarwadi**, Founder of **Solnce Energy**, who recently secured ₹1 Crore funding on Shark Tank India. Joined by **Mr. Chintan Shah** (Co-founder), the session provided a deep dive into their startup journey, funding process, and valuable tips for aspiring entrepreneurs.

With over **450+ registrations** and a packed seminar hall, the event witnessed enthusiastic participation from students, startups, and innovation enthusiasts. **Mr. Om Misra** moderated the session, ensuring meaningful conversations and audience engagement throughout.

This report outlines the key highlights, learnings, and impact of the session.

EVENT HIGHLIGHTS

The **Startup Adda** event was a dynamic platform designed to ignite entrepreneurial passion and spark innovative thinking among aspiring student founders. Hosted with the spirit of collaboration and idea exchange, the event featured a blend of insightful talks, interactive sessions, and one-on-one mentoring that energized the startup ecosystem within the campus.

Budding entrepreneurs had the opportunity to pitch their ideas, receive real-time feedback from experienced mentors, and network with like-minded peers. The vibrant atmosphere fostered creativity, critical thinking, and a strong sense of community among participants, making the event a significant step toward nurturing future changemakers and innovators.
