DATE & TIME	22nd July 2025, 09:30 AM – 01:30 PM	Duration	1 Day
SEMESTER	3 rd AND 5 TH	No. of participants	40
EXPERT NAME WITH DESIGNATION	-		

Introduction

On 22nd July 2025, the CE Department of Parul Polytechnic Institute, in association with the Parul Innovation and Entrepreneurship Research Centre (PIERC), organized a Tech Exhibition as part of the Startup Summit. The event showcased startup ideas through Demo Day, exhibitions, and poster presentations. This platform provided students with an opportunity to present innovative projects and link with mentors and innovation ambassadors for further support.

Objectives of the Session

- To provide a platform for students and startups to showcase innovative ideas and projects.
- To facilitate mentorship opportunities by linking startups with innovation ambassadors and experts.
- To promote entrepreneurship and innovation among students of Parul Polytechnic Institute.
- To encourage collaboration between students, faculty, and industry experts.

- Participants developed confidence in presenting and pitching startup ideas.
- Students gained insights into how exhibitions and demo days support entrepreneurial journeys.
- The event enhanced networking opportunities between students, faculty, and mentors.
- The exhibition highlighted the importance of innovation-driven entrepreneurship.

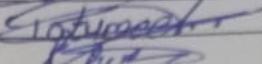

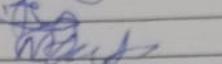

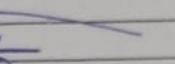

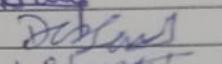

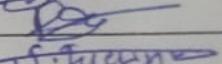

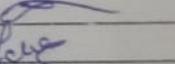

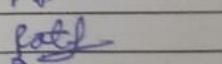

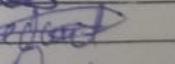

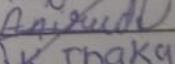

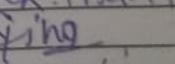

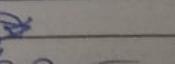

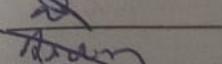

Conclusion

The Tech Exhibition 2025 successfully provided a platform for students to display their entrepreneurial skills and innovative projects. It emphasized the importance of mentorship, collaboration, and innovation for building a strong startup ecosystem.
