Introduction

As part of *Innovation & Entrepreneurship Day*, PIERC presents a thought-provoking talk on the topic: “Session on Innovation/Prototype Validation – Converting Innovation into a Start-up”, aimed at empowering budding innovators and future business leaders. This engaging session will be led by none other than **Mr. Vivek Deepak Joshi**, Innovation Ambassador with the *Ministry of Education Innovation Cell*. With his vast experience and deep insights into the startup ecosystem, Mr. Joshi will shed light on the journey of entrepreneurship—from identifying the right opportunities to navigating common pitfalls faced by first-time founders.

Objectives of the Session

- **To create awareness** about the significance of *World Entrepreneurs Day* and celebrate entrepreneurial spirit.
- **To educate students** on the *opportunities and challenges* faced by first-time entrepreneurs.

- **To connect students with industry experts**, enabling knowledge exchange and mentorship opportunities.
- **To equip students with insights** and strategies to begin their own entrepreneurial journey.
- **To encourage entrepreneurial mindset** and motivate students to explore startup ideas.

Learning Outcomes

By the end of the session, attendees gained:

- Students will gain a clear understanding of the **entrepreneurial ecosystem** and its relevance in today's world.
- Participants will develop an **entrepreneurial mindset** focused on innovation, problem-solving, and risk-taking.
- Students will learn about **real-world strategies and best practices** for starting and sustaining a business.
- Attendees will be exposed to **inspirational insights** from an experienced Innovation Ambassador, enhancing their motivation.
- Students will understand the **role of innovation in entrepreneurship** and how to integrate it into their ideas.
- Learners will be able to critically evaluate startup ideas based on **feasibility, market need, and scalability**.

Conclusion

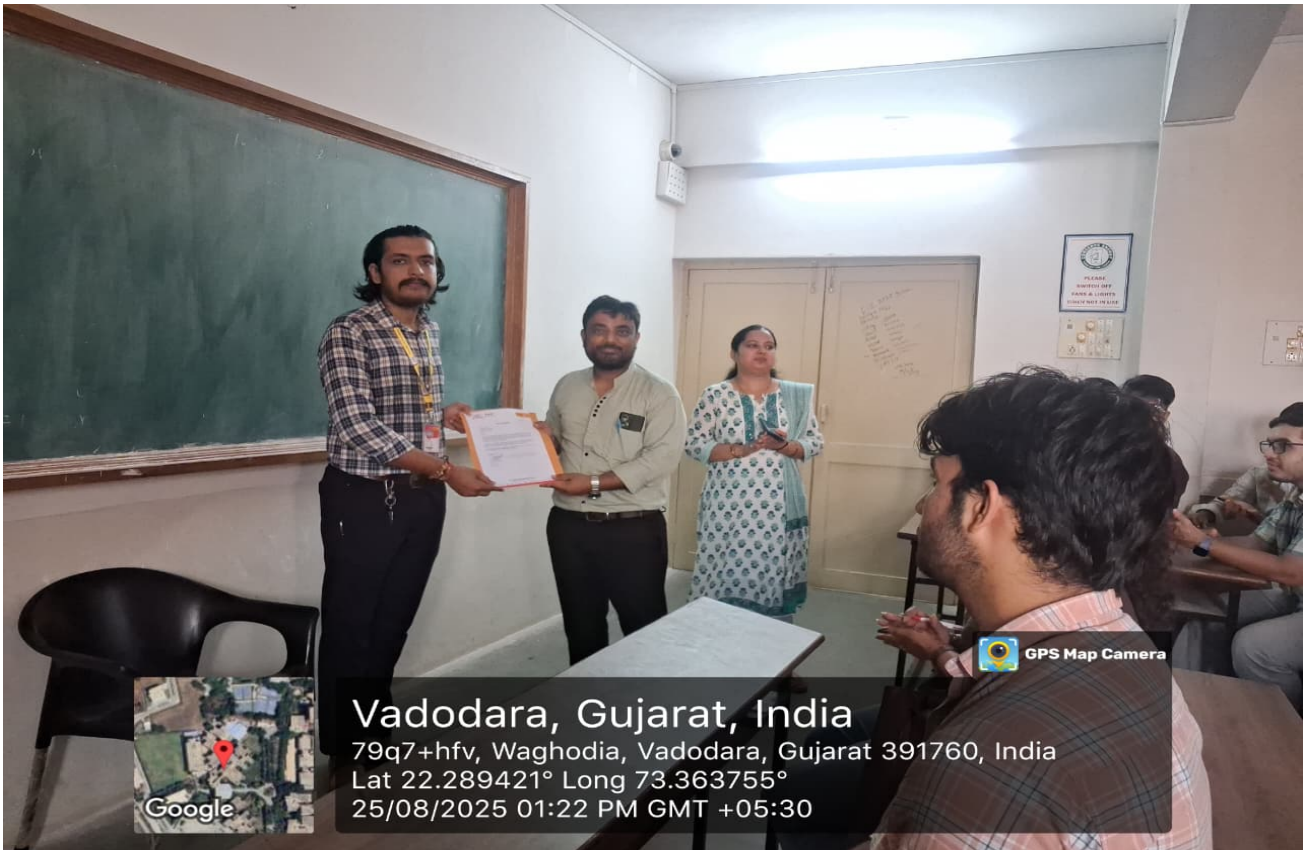

The celebration of *World Entrepreneurs Day* at Parul Institute of Engineering and Technology – Electronics and Communication Department, PIET serves as a powerful initiative to inspire and empower the next generation of innovators. Through the insightful session on “Session on Innovation/Prototype Validation – Converting Innovation into a Start-up” by Mr. Vivek Deepak Joshi, students will not only gain valuable knowledge but also develop the confidence to pursue their entrepreneurial aspirations. This event marks a step forward in nurturing

a culture of creativity, innovation, and problem-solving within the academic community. As we conclude this impactful session, we are so thankful to Mrs. Manju Yadav, professor ECE department for her insightful coordination lead for this session and we are also very thankful for Dr. Kalpesh Jadhav, honorable Head of Department, ECE for giving their valuable insights towards the conclusion of this session.
