### **Drawing competition: National Pollution Control Day**

The SSIP Cell and Innovation Club of D. K. V. Arts & Science College, Jamnagar celebrated **National Pollution Control Day** by organizing a drawing competition on the theme “**Innovative Products or Solutions to Reduce Pollution.**”

The event aimed to create awareness about environmental issues and encourage innovative thinking among students. **Five students** actively participated in the competition, while **48 students** attended as observers. The activity successfully sensitized students toward pollution control and promoted creativity in developing sustainable and eco-friendly solutions.
