"Government Engineering College, Palanpur" (GECPL), operates under the aegis of Government of Gujarat (established in the year 2009). It is affiliated to Gujarat Technological University, Ahmedabad and is also approved by All India Council of Technical Education (AICTE), New Delhi. GECPL provides a dynamic and supportive environment in which faculty and staffs continuously grow intellectually and professionally.

Our Vision is to be a leading technical institute facilitating transformation of human resources into socially responsible engineering professionals for sustainable development. Our mission is to achieve academic excellence by developing state-of-the-art laboratories and academic infrastructure. To create an ecosystem that promotes value based technical education, innovation and entrepreneurship for sustainable development. To contribute to industry and society by providing technical and consultancy services. To enhance technical competencies of human resources by providing need base trainings and quality improvement programs.

In above context, Student Start-up & Innovation Policy [SSIP 2.0] committee & Institute Innovation Council [IIC] committee of Government Engineering College, Palanpur has organized **"Sensitization Program"** on date 12th December 2025, Friday for the 10th, 11th & 12th Science students of Shree K K Gothi High School, Palanpur. The aim of organizing this sensitization program was to aware the student about SSIP 2.0 and also, they can implement the benefits of SSIP 2.0 funds for their new idea or innovation into the market for creating the entrepreneurship. To take benefits of SSIP 2.0 funds, we have invited the students of various institutions nearby GEC Palanpur.

Prof. V. D. Patel start the session with Invention Vs Innovation, Process of Innovation, What is Idea?, What is Idea generation?, What is SSIP, its Objectives & Goals?, Be a Job Creator... Nor a Job seeker, SSIP 2.0 Application process, Brief about Financial support under SSIP 2.0, SSIP 2.0 State and Institutional level committee. The session was ended with few questions and answer session.

Total 148 students have attended the program. The session was found very interesting, informative and thought provoking.
