

Internal Round of Smart India Hackathon 2025

Government Engineering College Gandhinagar Sec-28

Date: 3rd September 2025

Time: 10:00 AM to 06:00 PM

Venue: Sarjan Hall Near Canteen, GEC Gandhinagar
Sector-28, Gandhinagar, Gujrat

Date of Report: 3rd September 2025

Introduction

The Smart India Hackathon (SIH) is a flagship initiative by the Government of India aimed at fostering a culture of innovation and problem-solving among students. The internal round of the SIH 2025 at GEC Gandhinagar was a critical step in identifying and nurturing the most promising solutions developed by our students.

Purpose of the Internal Round: The internal round was organized to screen and select the most innovative and feasible projects from the participating teams. This selection process was crucial for preparing our students for the national level competition, where they will compete with teams from other colleges across the country.

Objective of the Smart India Hackathon: Smart India Hackathon encourages students to tackle real-world problems proposed by various government departments and industries. By participating, students get an opportunity to work on practical challenges, gain hands-on experience, and contribute to societal development.

Event Details

Date and Time:

- **Date:** 3rd September 2025
- **Time:** 10:00 AM to 06:00 PM

Venue: Sarjan Hall Near Canteen, GEC Gandhinagar
Sector-28, Gandhinagar, Gujarat

Event Schedule:

- **10:00 AM :** Registration and Welcome
 - The event began with the registration of participants and a welcome address by SPOC Coordinator, outlining the schedule and objectives of the day.
- **11:00 AM :** Team Presentations
 - Each team was allotted a specific time slot to present their projects to the jury panel. The presentations were followed by a Q&A session where jury members sought clarifications and provided feedback.
- **5:00 PM:** Jury Feedback
 - After the presentations, the jury panel provided constructive feedback to each team, highlighting strengths and areas for improvement.
- **6:00 PM :** Announcement of Results
 - The results were announced, and the selected teams were recognized for their exceptional performance.

Jury Panel:

Role of the Jury Panel: The jury panel was responsible for evaluating the projects based on predefined criteria such as innovation, feasibility, impact, and presentation quality. Their feedback was instrumental in selecting the top teams and providing valuable insights to all participants.

Each jury panel having One faculty with Hardware expertise and one faculty with software expertise

Reasons for Selection:

- **Innovation:** The selected projects demonstrated exceptional creativity and originality.
- **Feasibility:** The solutions proposed were practical and implementable within the given constraints.
- **Impact:** The projects had the potential to make a significant positive impact on the community or industry.
