Sensitisation session on entrepreneurship opportunities

Event Date: 24.10.2025

About the event:

On 24th October 2025, ASHINE organized a Sensitisation Session on Entrepreneurship Opportunities to promote entrepreneurial awareness among students. The session highlighted various entrepreneurial opportunities and funding and grant support provided by ASHINE, along with the importance of incubation and mentorship in startup development. Students were guided on how to convert ideas into startups, apply for funding, and utilize incubation support. Successful startup stories were also shared to insp
