

A D PATEL INSTITUTE OF TECHNOLOGY

A Report on One Day Workshop on “Cloud Concepts and Microsoft Azure Fundamentals”

About the event:

The Department of Computer Engineering, A. D. Patel Institute of Technology, organized a One-Day Workshop on “Cloud Concepts and Microsoft Azure Fundamentals” for 3rd-year Computer Engineering and Computer Science & Design students.

The session aimed to introduce participants to the foundational principles of cloud computing, deployment models, and key services offered by Microsoft Azure. Students gained hands-on insights into cloud infrastructure, virtualization, and resource management, enhancing their understanding of modern computing environments.

The workshop provided an excellent platform for students to bridge the gap between theoretical concepts and industry practices, preparing them for future opportunities in cloud technologies and certifications such as Microsoft Azure Fundamentals (AZ-900).

The details of the event are as follows:

Date: 14th October 2025

Time: 10 AM – 3 PM

Venue: CE – 5 Lab

No of Participants: 70

Speaker: Mr. Gagan Dubey,

Associate Manager Learning & Development, Rishabh Software, Vadodara

Coordinator: Dr. Dheeraj Kumar Singh, Prof. Jayshree Parmar

Objective: The objective of the workshop on “Cloud Concepts and Microsoft Azure Fundamentals” was to provide students with a clear understanding of cloud computing principles, service models, and deployment strategies, and to familiarize them with the core features and functionalities of Microsoft Azure. The session aimed to build foundational knowledge that will help students apply cloud concepts in real-world scenarios.

We were thrilled to host an insightful workshop on Cloud Concepts and Microsoft Azure Fundamentals for our 3rd Year Computer Engineering and Computer Science & Design students!

Equipping our students with knowledge in leading cloud platforms like Microsoft Azure is vital for their career readiness in the fast-evolving tech landscape.

A massive thank you to our esteemed speaker, Mr.Gagan Dubey, Associate Manager, Learning & Development at Rishabh Software, for sharing his valuable industry expertise.

This successful event was expertly organized by the Computer Science & Design Program, Computer Engineering Department at A D Patel Institute of Technology, CVM University.

Special thanks to Er. Bhikhubhai B. Patel, President CVM UNIVERSITY, and Prof.(Dr) Indrajit Patel, Provost, CVM UNIVERSITY, for their continuous guidance and support in making these valuable learning experiences possible!

Growth Mindset Activated! ✨

We had an inspiring workshop on Cloud Concepts and Microsoft Azure Fundamentals for our 3rd Year CE/CSD students. Future cloud architects in the making! ☁️

Huge thanks to Mr. Gagan Dubey of Rishabh Software for his excellent session and industry insights!

We are profoundly grateful for the continuous encouragement and support from Er. Bhikhubhai B Patel, President CVM University, and Prof (Dr.) Indrajit Patel, Provost, CVM University. Their guidance powers our commitment to student success!

Organized by: Computer Science & Design Program, Computer Engineering Department, ADIT.
