A workshop on Student Startup and Innovation Policy (SSIP) was organized on 15th November at SGJ College. The main objective of the workshop was to create awareness among students about innovation, entrepreneurship, and the support provided under SSIP.

During the session, experts explained the benefits of SSIP, funding opportunities, and the process of converting innovative ideas into startups. Students were encouraged to think creatively and participate in innovation activities.

The workshop was interactive and informative, helping students gain knowledge about startup culture and government support schemes. Overall, the program was successful in motivating students towards innovation and entrepreneurship.
