Report on Seminar on Intellectual Property Rights (IPR)

Department	Commerce/Science
Date of Event	24/03/2026
Name of the Event	Seminar on Intellectual Property Rights (IPR)
Event category	Offline Seminar
Level	College
Venue	Government Commerce and Science College, Dahej
Number of students participated	103 students

A Science Popularization Lecture was organized by Government Commerce and Science College, Dahej, under the banner of SSIP, Innovation Club & RIEGCC in collaboration with the Indian National Science Academy (INSA) on the topic “**Untold Stories of Defence Research & Development in India and Intellectual Property Rights**” The event was held on 24th March 2026

The program commenced with a prayer followed by the ceremonial lighting of the lamp, marking an auspicious beginning. The guest speaker, Prof. (Dr.) P. N. Gajjar, Director, IQAC and Professor of Physics at Gujarat University, Ahmedabad, was warmly welcomed. Ms. Shilpa Ranpura formally introduced Prof. Gajjar, highlighting his vast academic experience and remarkable contributions to research and education.

Prof. Gajjar delivered two insightful sessions during the event. The first seminar focused on the topic “**Untold Stories of Defence Research & Development in India,**” where he shared valuable insights into India’s scientific advancements and lesser-known contributions in the field of defence technology. The session was highly informative and inspired students to explore research opportunities in this domain.

The second seminar was conducted on **Intellectual Property Rights (IPR)**. In this session, Prof. Gajjar elaborated on the fundamentals of IPR, emphasizing its importance in protecting innovations, ideas, and creative work. He explained different types of intellectual property such as patents, copyrights, trademarks, and industrial designs, and discussed how these rights encourage innovation by granting legal protection to inventors and creators. He also highlighted the procedures involved in obtaining patents, the role of IPR in academic and industrial research, and the significance of maintaining originality in scientific work. Furthermore, he made students

aware of the ethical and legal aspects of using others' work and the importance of respecting intellectual ownership in today's knowledge-driven economy.

Approximately 100 students actively participated in the seminar, including 30 students from P. J. Chheda Janta Vidyalaya, making the event more enriching and interactive. The program concluded with a vote of thanks delivered by Dr. Yogesh Pandya, Assistant Professor of Physics, who expressed gratitude to the speaker, organizers, and participants for making the event successful.

The entire program was organized under the guidance of Dr. Leena Dave, whose support and leadership ensured the smooth conduct of the event. Overall, the lecture series proved to be highly informative, motivating students to engage in scientific research and understand the importance of intellectual property in their academic and professional careers.

UNTOLD STORIES OF DEFENCE RESEARCH & DEVELOPMENT IN INDIA

UNDER THE BANNER OF RIEGGC & INNOVATION CLUB

1 24TH MARCH 2026, TUESDAY

2 TIME: 11:00 AM TO 01:00 PM

3 VENUE: DRAWING HALL , GCSC DAHEJ

SPEAKER

Prof. (Dr.) P.N. Gajjar
Director, IQAC, Gujarat University,
Professor, Department of Physics,
Gujarat University, Ahmedabad

ABOUT THE SPEAKER

PROF. (DR.) P.N. GAJJAR

- Prof. Pankaj N. Gajjar is a distinguished Professor of Physics at Gujarat University, Ahmedabad, with over 35 years of experience in teaching and research. His expertise includes Solid State Physics, Condensed Matter Theory, Computational Materials Science, and Non-linear Dynamics.
- He has held several key positions such as Dean (Faculty of Science), Head of Department, Director (IQAC), and Director of DRDO - Industry - Academia Sardar Vallbbhai Patel Centre of Excellence at Gujarat University.
- Prof. Gajjar has guided 22 Ph.D. and 22 M.Phil. scholars and has published 350+ research papers with significant academic impact.
- He is a recipient of prestigious awards including the INSA Teachers Award (2021) and multiple INSA Remote Lecture Awards.
- With international academic exposure across 20+ countries and contributions to research, policy, and innovation, he continues to inspire students and researchers across India.
