

REPORT

“Nexorae 2025”

Date: 28th–30th August, 2025

G H Patel College of Engineering & Technology,
CVM University

Introduction:

The IEEE Student Branch at G H Patel College of Engineering and Technology (GCET), CVM University, is a vibrant platform empowering students to explore technology, research, and leadership. It comprises six active societies – RAS, WIE, CS, PES, SPS, and SIGHT – each of which contributes towards fostering technical knowledge, creativity, and social impact. The branch organizes technical workshops, expert talks, cultural programs, and flagship festivals to provide students with opportunities for holistic growth.

About the Event:

Nexorae 2025, a 3-day techno-cultural fest organized by the IEEE GCET Student Branch, was held from 28th to 30th August 2025 at GCET Campus. With the theme “Where Innovation Meets Velocity,” the event aimed to bring together technology enthusiasts, innovators, and creative minds under one roof. It featured a blend of technical challenges, entrepreneurial showcases, cultural entertainment, and social activities.

Event Details:

- Nexothon – A 24-hour hackathon where participants innovated and coded solutions to real-world problems.
- Neuronex – A technical showcase and project pitching platform with live demonstrations and quizzes.
- Pitchverse – An entrepreneurial pitch competition focused on women-centric innovations.
- Mystique Maze – A treasure hunt-style puzzle event based on image and signal processing clues.
- Bollybuzz – A Bollywood-themed quiz and Dumb Charades event.
- Shutter Stories – A photography and storytelling competition capturing the fest’s essence.
- Robotrek – A robotics design and navigation challenge on rugged terrains.
- Escape Room – A multi-stage puzzle-solving event simulating escape scenarios.
- Tech Carnival – Interactive coding, charades, and fun technical activities.
- Esports – BGMI and Valorant tournaments attracting gaming enthusiasts.
- Cultural Evening – A celebration of creativity through performances and entertainment shows.

Schedule:

Day	Morning	Afternoon	Evening
Day 1 – Tech Kickoff	Opening Ceremony, Robotrek, Shutter Stories	Escape Room	Streetlit
Day 2 – High Energy	Mystique Maze, Neuronex, Tech Carnival	BGMI & Valorant Round 1, Hackathon Begins, Bollybuzz	
Day 3 – Closing & Visit	Pitchverse, BGMI & Valorant Finals, Industrial Visit	Hackathon Ends, Closing Ceremony	Dayaro~ “Sahiyaro”

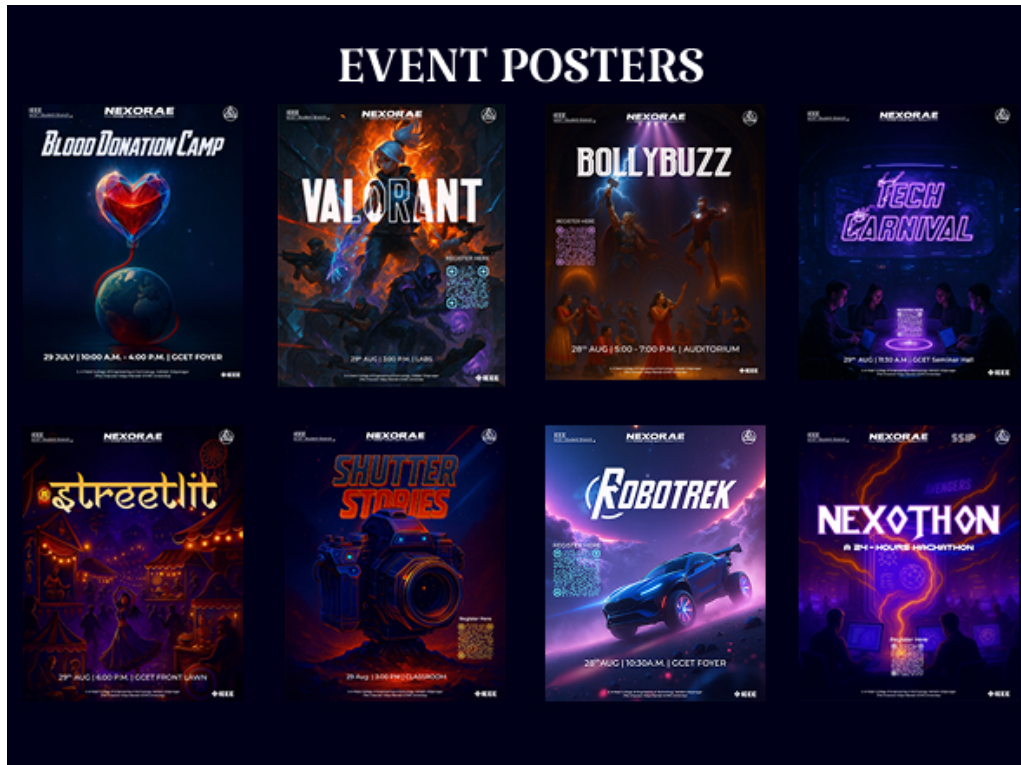

About the Speakers / Mentors / Judges:

Industry experts, alumni, and faculty members participated as judges and mentors across events. Their guidance enriched the participants’ learning experiences, especially in technical competitions like Nexothon, Neuronex, and Pitchverse.

Participants:

Nexorae brings together 480 participants from various colleges, creating a vibrant hub of ideas and talent. At its core, 22 dedicated Execom members steer the event with passion and precision.

Conclusion:

Nexorae 2025 successfully showcased the intersection of technology, culture, and creativity. The fest not only enhanced technical knowledge but also encouraged innovation, teamwork, and holistic development. The overwhelming participation and enthusiasm from students and mentors alike reflect the growing importance of such platforms in fostering the next generation of leaders and innovators.
