Under student startup and innovation policy of Government of Gujarat, L.E. College of Engineering has organized one day Seminar on "Patent Filing" under "Initiatives to promote student startups and Innovations" for Faculty member of L. E. College (Diploma) Morbi on **10th October 2025** (Venue: Block-A, Seminar Hall) at **01:15 PM**.

Mr. V. B. Shanghavi and Mr. M. A. Fulataiya, Member of SSIP Cell have started program with Introducing Speaker. **Principal Mr. P. V Rayjada** has shared knowledge about Basic of SSIP and Future of start up.

An expert session on patent filing was conducted to provide participants with practical knowledge about protecting intellectual property rights. The speaker explained the importance of patents in safeguarding innovative ideas and promoting technological advancement. The session covered key topics such as types of patents, patentability criteria, documentation requirements, and the step-by-step filing process. Participants also learned about provisional and complete patent applications, prior art searches, and common mistakes to avoid during filing. Real-life examples and case studies made the session interactive and informative. Overall, the session enhanced participants' understanding of patent filing procedures and encouraged innovation and research activities
