### **SSIP 2.0 Policy Orientation Report**

**Date:** 15/04/2026

**Resource Person:** Jigar Vijay Parmar

The Government Arts, Commerce and Science College, Khergam organized an orientation programme on **SSIP 2.0 Policy** on 15 April 2026 with the objective of creating awareness among students regarding innovation, startup culture, entrepreneurship, and government support under the Student Startup and Innovation Policy (SSIP) 2.0 initiated by the Government of Gujarat.

The programme was conducted under the guidance of the Principal and the active support of faculty members. Students from various streams enthusiastically participated in the orientation session.

The resource person, Jigar Vijay Parmar, delivered an informative and motivating session on the significance of SSIP 2.0 in promoting innovative ideas and startup ecosystems among students. He explained the objectives, benefits, and opportunities available under the policy for higher education students.

During the session, the speaker highlighted important aspects such as:

- Introduction to SSIP 2.0 Policy
- Importance of innovation and entrepreneurship in higher education
- Financial assistance and mentorship support available for startups
- Process of converting ideas into projects and startups
- Government schemes and incubation support
- Role of students in developing innovative solutions for society

The resource person encouraged students to think creatively and develop problem-solving abilities through innovative projects and entrepreneurial activities. Real-life examples of successful startups and student innovators were also discussed to inspire participants.

Students actively interacted with the speaker and clarified their queries related to startup funding, idea submission, incubation support, and project development. The session proved highly informative and motivational for all participants.

The programme concluded with a vote of thanks expressing gratitude to the resource person, Principal, faculty members, and students for making the orientation programme successful. The event helped students understand the importance of innovation and encouraged them to participate actively in SSIP 2.0 initiatives in the future.
