Projects & Suresh Goel CEO, Bikanerwala.**

ACTIVITY TYPE	Panel discussion		
DATE & TIME	21/02/2026	Duration	1 Day
SEMESTER	All	No. of participants	415 Students
EXPERT NAME WITH DESIGNATION	Neeraj Agarwal COO, TATA Projects & Suresh Goel CEO, Bikanerwala.		

1. Introduction

A panel discussion session by startup founders was organized on 21 February 2026 at the Parul Innovation & Entrepreneurship Research Centre (PIERC), Parul University with the objective of providing students with valuable insights into leadership, decision-making, business growth, and long-term impact in professional and entrepreneurial journeys.

The session featured Neeraj Agarwal and Suresh Goel, who shared their experiences and perspectives on leadership, strategic decisions, organizational growth, and the importance of making impactful choices that influence future generations.

The discussion focused on how strong decisions, values, vision, and adaptability contribute towards sustainable success and long-term growth in both corporate and entrepreneurial ecosystems.

The interaction created an engaging learning environment where students gained practical understanding about leadership qualities, business strategies, and the importance of responsible decision-making in shaping industries, organizations, and society.

2. Objectives of the Program

The key objectives of organizing the panel discussion were:

- To provide students with practical insights from experienced industry leaders.
- To help students understand the importance of strategic decision-making and leadership.
- To encourage participants to develop vision, adaptability, and long-term thinking abilities.
- To create awareness about sustainable business growth and organizational leadership.
- To inspire students through real-world business experiences and success journeys.
- To bridge the gap between academic learning and industry expectations.
- To strengthen the innovation and entrepreneurial ecosystem at PIERC and Parul University.

3. Details of the Program

The panel discussion was organized on 21 February 2026 at PIERC, Parul University with active participation from 415 students across various disciplines.

During the session, Neeraj Agarwal and Suresh Goel shared valuable perspectives on leadership, business growth, organizational vision, and the role of impactful decisions in shaping future generations.

The discussion revolved around the theme “Decisions That Shape Generations,” where the speakers emphasized the importance of responsible leadership, strategic thinking, and long-term vision in building sustainable organizations and creating meaningful impact.

The speakers highlighted how decisions taken by leaders influence not only businesses but also employees, industries, communities, and future generations. Students were encouraged to think critically, make informed decisions, and develop leadership qualities that contribute towards innovation, growth, and societal progress.

The session also explored topics related to adaptability, resilience, ethics, business strategy, and the importance of balancing innovation with long-term sustainability. Real-world examples and experiences shared during the interaction made the discussion highly insightful and relatable for students.

The interaction created an intellectually enriching and motivational environment where students connected academic concepts with practical industry experiences and leadership perspectives.

4. Learning Outcomes

- Students gained practical insights into leadership and strategic decision-making.
- Participants developed a better understanding of long-term vision and sustainable business growth.
- The session enhanced students' awareness about the impact of leadership decisions on organizations and society.
- Students gained exposure to real-world business strategies and leadership experiences.
- The interaction encouraged participants to think critically, responsibly, and strategically.
- Participants were motivated to develop future-ready leadership and entrepreneurial skills.

5. Conclusion

The panel discussion on “Decisions That Shape Generations” organized on 21 February 2026 at PIERC, Parul University was a highly insightful and inspiring session that successfully connected students with experienced industry leaders and practical business perspectives.

The interaction with Neeraj Agarwal and Suresh Goel provided students with valuable understanding about leadership, strategic thinking, organizational growth, and the importance of impactful decision-making in shaping future generations.

Such initiatives play a significant role in strengthening the innovation and entrepreneurial culture at PIERC while preparing students to become responsible, future-ready professionals, entrepreneurs, and leaders.
