Report on **UDYAM – Exhibition 2026**

ACTIVITY TYPE	UDYAM – Exhibition 2026		
DATE & TIME	19/02/2026 TO 21/02/2026	Duration	3 Day
SEMESTER	All	No. of participants	61

Introduction

The Faculty of Management Studies at Parul University successfully organized **UDYAM – Exhibition 2026**, an entrepreneurial and business exhibition initiative aimed at promoting innovation, creativity, leadership, and practical business exposure among students. The event was organized with the objective of providing students a platform to showcase their business ideas, entrepreneurial skills, marketing abilities, and innovative products through real-time exhibition and business activities.

The exhibition witnessed enthusiastic participation from students across different programs and departments who actively presented a variety of innovative business concepts, startup ideas, products, services, food ventures, sustainable solutions, and creative handmade items. The event created an energetic and entrepreneurial environment within the university campus and encouraged students to explore practical aspects of business management and entrepreneurship.

Objectives of the Exhibition

The major objectives of organizing UDYAM – Exhibition 2026 were:

- To promote entrepreneurship and innovation among students.
- To provide practical exposure to business planning and management.
- To develop communication, leadership, and teamwork skills.
- To encourage students to convert innovative ideas into business opportunities.
- To provide hands-on learning experience in marketing, branding, customer interaction, and financial management.
- To create awareness regarding startup culture and self-employment opportunities.

Inauguration Ceremony

The exhibition was inaugurated in the presence of university dignitaries, faculty members, mentors, and student participants. During the inauguration, the dignitaries appreciated the efforts and creativity of the students and motivated them to continue working towards innovation and entrepreneurship. Faculty coordinators and mentors played an important role in guiding the students throughout the planning and execution of the exhibition.

Exhibition Highlights

UDYAM – Exhibition 2026 featured a wide range of stalls and innovative business presentations prepared and managed by students. The exhibition included:

- Startup and business model presentations
- Food and beverage stalls
- Handmade and creative product displays
- Sustainable and eco-friendly products
- Fashion and lifestyle products
- Technology-based innovative ideas
- Marketing and branding activities
- Student-managed sales and customer interaction activities

Students demonstrated excellent coordination, creativity, professionalism, and entrepreneurial understanding while managing their stalls and interacting with visitors. The exhibition attracted a large number of students, faculty members, and visitors who actively explored and appreciated the innovative concepts presented by the participants.

Student Participation and Learning Experience

The exhibition served as an experiential learning platform where students gained practical exposure to:

- Business operations and management
- Marketing and promotional strategies
- Team coordination and leadership
- Customer handling and communication
- Financial planning and sales management
- Problem-solving and decision-making skills

The event also encouraged interdisciplinary collaboration and helped students understand the practical challenges and opportunities associated with entrepreneurship and startup development.

Outcomes of the Event

The successful organization of UDYAM – Exhibition 2026 resulted in several positive outcomes:

- Enhanced entrepreneurial mindset among students.
- Improved practical understanding of business and management concepts.
- Encouraged innovation and creative thinking.
- Strengthened communication and leadership abilities.
- Increased awareness about startup culture and self-employment.
- Provided networking and collaborative learning opportunities.

Conclusion

UDYAM – Exhibition 2026 concluded successfully with active participation, innovative presentations, and positive engagement from students and visitors. The exhibition reflected the commitment of the Faculty of Management Studies, Parul University, towards promoting experiential learning, entrepreneurship, innovation, and skill development among students.

The event proved to be an inspiring platform for students to transform their ideas into practical business experiences and encouraged them to become future entrepreneurs, innovators, and business leaders. The organizers expressed gratitude to all dignitaries, faculty members, mentors, volunteers, and participants for their valuable support and contribution towards the grand success of the exhibition.
