

Report on Sensitisation Program on SSIP 2.0 for Newly Admitted Students

Date of the Program: 04/08/2026

Venue: New Drawing Hall, G. P. dahod

Organised by: Institution's SSIP Cell

Target Audience: First-Year Students (AY [2026-2027])

Objective:

The sensitisation program aimed to introduce newly admitted students to the **Student Startup and Innovation Policy (SSIP 2.0)**, initiated by the Government of Gujarat. The goal was to cultivate an entrepreneurial mindset among students from the beginning of their academic journey and familiarize them with the support system available under SSIP 2.0 for innovation, prototyping, and startup development.

Program Overview:

Dr. P. V. Singh, Coordinator-SSIP, G. P. Dahod, highlighted the importance of innovation and the role of SSIP 2.0 in nurturing young talent. This was followed by a presentation on SSIP 2.0, covering its:

- Objectives and vision
- Scope and eligibility
- Key components (idea support, prototyping grants, mentoring, IPR support, etc.)
- Institutional support mechanisms

Student Engagement:

The students actively participated in the Q&A session and showed keen interest in the opportunities available under SSIP.

Outcome:

- Over 49 first-year students attended the session.
- Students were made aware of the importance of innovation and the institutional support available through SSIP 2.0.

Conclusion:

The sensitisation program was a success in creating awareness about SSIP 2.0 and instilling a spirit of innovation among the newly admitted students. It marked a promising start to building a robust innovation ecosystem within the campus for the new batch.
