

SSIP 2.0 Sensitization Programme

Event Name: SSIP 2.0 Sensitisation Program Sem – 3 (Computer Engineering Department)

Date: 21/07/2026

Venue/ Mode: Classroom F003-F-004

No of Participants: 113

Speakers Name: Mr. Mitesh Thakore, Mr. Naresh Patel

About Event: The SSIP 2.0 Sensitization Programme was conducted on 21/07/2026 for the 3rd Semester students of the Computer Engineering Department with the objective of introducing them to the Student Startup and Innovation Policy (SSIP). The program was coordinated by Naresh Patel and Mitesh Thakore. During the session, students were informed about the vision, objectives, benefits, application process, and various opportunities available under the SSIP initiative. The discussion highlighted key aspects such as project funding, expert mentorship, startup incubation, and the innovation support ecosystem provided by SSIP. The program inspired students to explore their creative ideas and encouraged them to convert innovative concepts into impactful projects and successful

Outcome of Event: The program effectively increased students' awareness of the Student Startup and Innovation Policy (SSIP) and its significance in promoting innovation and entrepreneurial thinking. Participants developed a clear understanding of the eligibility requirements, application procedure, and the various support mechanisms available under the SSIP framework. The session motivated students to identify innovative project ideas and encouraged them to seek SSIP assistance for transforming these ideas into practical solutions.
