

A brief report on Workshop of “Awareness of environmental audit in chemical engineering sector”

Venue: Chemical department, SIR BPTI Bhavnagar.

Orator: Mr. Rahul Vaidya, Assistant Professor, Chemical department, VVP engineering college

No. of Students: 46, **Time:** 11:45 AM to 01:30 PM

Date: 25/03/2026

Report

Students of the chemical department gained awareness on Environmental audit, Scope of environmental audit, methodology of environmental audit, draft report on environmental audit, and additionally students got opportunity to have hands on experience to operate environmental parameter detector devices. I appreciate Mr. Rahul Vaidya for providing such a wonderful session.
