Student Innovation and Prototype Evaluation- SSIP 2.0

Minutes of the Meeting

Date: 22-04-2026

Introduction:

A meeting for the scrutiny and evaluation of student innovation and prototype proposals under SSIP 2.0 was held on **22nd April, 2026 in Room No. 107, SPCAM-MBA, Bakrol**. The meeting focused on assessing innovative student-led startup ideas and prototype-based projects submitted for consideration under the SSIP framework.

The committee members conducted a comprehensive review of the proposed projects and engaged in detailed deliberations regarding their innovation potential, technical feasibility, practical applicability, scalability, and alignment with the objectives and guidelines of SSIP 2.0. The projects presented covered diverse sectors including beauty-tech, fintech, eco-friendly consumer products, food and beverage innovation, student support services, healthcare technology, automobile services, and digital business platforms.
