Programme Report

The Electrical Engineering Department, Government Polytechnic, Navsari organized an SSIP (Student Startup and Innovation Policy) Awareness Programme for 1st Year / 1st Semester students of Term 261 on 13 August 2026 from 11:30 AM to 12:30 PM. The programme was coordinated by Mr. Nirav J. Patel.

The objective of the programme was to introduce students to SSIP and create awareness regarding innovation, creativity, entrepreneurship, startups, problem identification, idea development and the conversion of innovative ideas into useful projects and prototypes. Students were encouraged to observe real-life problems and think of practical technical solutions through innovation-oriented activities.

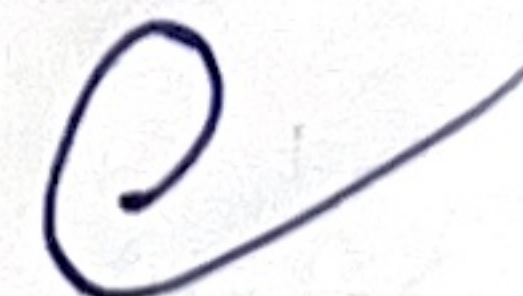

A total of 28 students and 1 faculty member participated in the programme. The session provided the first-year students with an introductory understanding of the opportunities available under SSIP and motivated them to participate in innovation and project-development activities during their diploma study.

Outcome

The programme helped students understand the basic purpose of SSIP and the importance of innovation and entrepreneurship in technical education. Students were motivated to generate new ideas, work on practical problems and participate actively in SSIP-related activities of the institute.
