About Event: The **Startup Success Stories & Grant Distribution Programme** was organized at **Government Arts and Science College, Harij** to encourage innovation, entrepreneurship, and startup culture among students. The programme aimed to motivate students by sharing successful startup journeys and providing financial support for promising innovative ideas. During the programme, the importance of identifying real-life problems, developing innovative solutions, and converting ideas into sustainable startups was highlighted. Students were encouraged to participate actively in innovation and entrepreneurship activities under the **SSIP 2.0 initiative**. As part of the programme, a grant of **₹1,00,000/- (Rupees One Lakh only)** was distributed to **Mr. Anil Rameshji Thakor** through a cheque to support his innovative startup project **“Shatapadi Smart Commerce.”** The grant will help in further development and implementation of the project. The programme provided students with valuable motivation and financial support to transform innovative ideas into practical solutions and successful entrepreneurial ventures. The event saw active participation from 27 students and 05 professors, who engaged in a lively Q&A session following the lecture. The interaction reflected the student's keen interest in entrepreneurship and their willingness to learn from real-life success stories. The SSIP 2.0 Coordinator, **Dr. Badal Chauhan**, explained various startup and innovation projects to motivate the students and help them develop a startup mindset. All the planning and direction were overseen by the college principal, **Dr. Tekpalsingh Anand Sir**.

Outcome of Event: Due to these events, students were encouraged to develop a mindset for startups.
