To provide awareness about start-up Centre –**CSIC (CHARUSAT STARTUP AND INNOVATION CENTRE)**. CSIC is a dynamic and forward-thinking start-up centre that focuses on Job Creators, not Job Seekers. To develop cutting-edge products/services that are designed to how it can address a specific problem or fulfil a need in the market. It works with a vision to develop successful entrepreneurs who can contribute (to nation building) through creativity, problem-solving and innovation for the growth and development of society at large. CSIC aims to create an entrepreneurial ecosystem within CHARUSAT that acts as a catalyst in identifying, motivating and nurturing entrepreneurial talents; mentoring them towards sustainable pursuits through entrepreneurship awareness, education, training and research. Some start-up has already gained significant traction in the industry. Start-up and explore potential and opportunities with SSIP.
