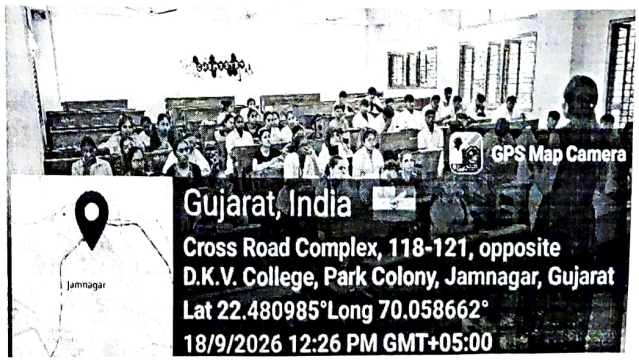
Date & Time of Event	18 September 2026 | 12:15 PM to 01:15 PM
Venue / Platform	Science Smart Class, D. K. V. Arts and Science College, Jamnagar
Total Student Participants	49 Students (Male: 27 | Female: 22)
Number of Faculty Members Present	03 Faculty Members

Event Summary

The seminar aimed to foster an entrepreneurial orientation among undergraduate science and arts students, raising awareness regarding financial grants, intellectual property support, and incubation assistance provided under SSIP 2.0 by the Education Department, Government of Gujarat. Organized jointly by the SSIP Cell and Innovation Club of D. K. V. Arts and Science College, Jamnagar, the seminar titled 'From Mindset to Market: Entrepreneurship & SSIP 2.0 Grant Framework for Young Innovators' was conducted by Dr. Kajal Nandha. The key topics elaborated during the session included:

- Structured guidance on transforming raw innovative ideas into feasible, scalable business models.
- Detailed insights into financial support available up to ₹2.5 Lakhs for Higher Education PoC/Prototype development.
- Information on institutional assistance for patent search, design registration, and IPR filing fees.
- Guidance on how students can leverage the college scrutiny committee and regional hubs to build real-world startups.



Key Outcomes of the Event

- Successfully created awareness among 49 student participants regarding SSIP 2.0 grant applications and institutional incubation.
- Interactive Q&A session enabling students to discuss practical challenges in prototyping, patenting, and proposal drafting.
