

Gujarat Arts and Commerce College (Evening), Ahmedabad REPORT ON ORIENTATION SESSIONS

Under SSIP, IIC, EDC & Innovation Club

Dates: 02-03 July 2026

Conducted By: SSIP Committee Members

Total Student Participation: 176

Introduction

As part of the institutional initiatives to promote innovation, entrepreneurship and startup culture, orientation sessions were conducted on 02 July 2026 and 03 July 2026 under SSIP, IIC, EDC and the Innovation Club.

The sessions were conducted by SSIP Committee Members Dr. Shailendrasinh Vaghela, Prof. Nikhil Rohit and Prof. Riddhi Suthar. Different committee members actively contributed to the sessions through student interaction, awareness creation and guidance regarding various innovation and entrepreneurship initiatives.

Objectives

- To create awareness among students about SSIP, IIC, EDC and Innovation Club initiatives.
- To promote innovation, creativity and entrepreneurial thinking among students.
- To familiarize students with opportunities for idea development, mentoring and startup support.
- To encourage students to identify real-world problems and explore innovative solutions.
- To motivate students to participate actively in innovation, entrepreneurship and startup-related activities.

Session Details

Date	Session	Students Participated
02 July 2026	Orientation - Phase I	82
03 July 2026	Orientation - Phase II	94
	Total	176

Proceedings

The sessions provided students with an overview of the objectives and activities of SSIP, IIC, EDC and the Innovation Club. The SSIP Coordinator and Committee Members explained the importance of innovation, entrepreneurship, problem identification and startup development.

The committee members interacted with students and encouraged them to identify real-world problems, develop innovative ideas and participate in upcoming workshops, mentoring programmes, competitions and other institutional activities.

Outcomes

- Students gained awareness about SSIP, IIC, EDC and Innovation Club initiatives.
- Students developed a basic understanding of innovation, entrepreneurship and startup opportunities.
- Students were encouraged to explore and share their innovative ideas.
- Awareness was created regarding available mentoring, guidance and institutional support.
- Students were motivated to participate in various innovation and entrepreneurship activities.
- The sessions contributed to strengthening a culture of innovation and entrepreneurship within the institution.

Conclusion

The orientation sessions successfully sensitized 176 students towards innovation, entrepreneurship and startup development. The active involvement of the SSIP Coordinator and SSIP Committee Members provided students with an opportunity to understand the institutional support available for developing innovative and entrepreneurial ideas and encouraged their active participation in future activities.
