

SSIP Awareness session in Civil Engineering Department

12th August 2026

The Student Startup and Innovation Policy (SSIP) aims to promote innovation, entrepreneurship, creativity, and startup culture among students. It provides students with an opportunity to identify real-world problems, develop innovative solutions, convert their ideas into prototypes, and explore entrepreneurship as a career option.

To introduce first-year engineering students to the opportunities available through SSIP, an SSIP Awareness Programme was organized by the institution. The programme focused on creating awareness about innovation, entrepreneurship, intellectual property, startup development, funding opportunities, and institutional support available to students.

Key Features:

- **Organizing Department:** Civil Engineering
- **Date:** 12th August 2026
- **Venue:** Room No. N 104
- **No. of Participants:** 60
- **Faculty Coordinators:** Prof. J N Patel and Prof. M V Chauhan

Objectives of the Programme

The major objectives of the SSIP Awareness Programme were:

1. To introduce first-year students to the concept and objectives of SSIP.
2. To develop an innovative and entrepreneurial mindset among students.
3. To encourage students to identify problems in society and develop technology-based solutions.
4. To explain the process of converting an idea into a prototype and subsequently into a startup.
5. To create awareness about intellectual property rights, patents, copyrights, and trademarks.
6. To inform students about mentoring, incubation, funding, and technical support available through the SSIP Cell.
