Sensitization Session for First-Year Computer Science and Engineering Department Students

Event Date: 17.09.2026

ASHINE–SVNIT organized a sensitization session on Innovation and Entrepreneurship for first-year students of the Department of Computer Science and Engineering, SVNIT, on 17 September 2026. Mr. Mayur Kalasariya and Dr. Shrikant Malaviya sensitized the students about innovation, entrepreneurship, startup opportunities, and the process of transforming innovative ideas into potential ventures. They also briefed the students on incubation support, funding opportunities, and various government schemes available through ASHINE to support student innovators and aspiring entrepreneurs.
